ULTIMATUM FROM OTIS.

After a careful review of the situation, General (tits arrived at the logical conclusion that the insurgents have no right to compt the suburbe of Manila, and that Aguinaldo's claims have the support of neither equity nor reason. He has, therefore categorically refused to consider Aguinaldo's demands, and today sent him an attimatum, in terms plainty comprehensible and authoritative, that he must with draw his troops from the suburbs before tomorrow afternoon or suffer the consequences of refusal.

The answer will probably be that Aguinaldo himself is only too withing to obey the order, but cannot explain

In all probability the county committee of the Republicans will hold a
meeting early this week to formulate
a call for a county convention. It is the
intention of the party to nominate a
full and complete ticket for the county
offices, although up to this time no candidate has appeared, with the exception
of Bryan Young for the clerkship and
I. M. Fisher for anditor.

By the way, Fisher was disappointed.
He was inboring in the belief that because George Swan was selected as city

be elected if the Democrate would nommate a woman. So he hung around the
Democratic convention, an interested
